

## **Dormakaba Signs 6-Year Enterprise AMS Contract with GyanSys**

**CARMEL, Indiana – August 28, 2018** – GyanSys, a leading IT services provider, and dormakaba have signed a **6-year** Enterprise Application Management Support (AMS) contract to support dormakaba's current diverse array of IT systems primarily running on **SAP, Salesforce, and Microsoft Platforms**.

**Remo Schneider, VP of Business Application of dormakaba** – “dormakaba has selected GyanSys as its preferred IT partner to support global operations because of GyanSys' solution-oriented approach, practice-focus, quality-driven delivery engagement model, and willingness to scale up to support complex IT platforms cost effectively.”

**Rajkishore Una, President & CEO of GyanSys** – “We are excited about this opportunity to serve dormakaba and its global affiliates by providing ongoing support, enhancements, and project delivery to their mission critical business applications & systems. To strengthen this partnership, GyanSys invested in setting up a dedicated secure Offshore Delivery Center (ODC) within our India Delivery Center in Bengaluru. Our focus is on increasing the delivery quality by providing a scalable support platform in complementing dormakaba's IT organization. Our successful relationship will enable us to showcase overall capabilities that we can offer to customers headquartered worldwide including Europe.”
